Budding Artists!

2DC had a lovely time this week creating portraits of
Elizabeth I from our 'Magnificent Monarchs' topic.
Well done!

This half term in PSHE, our new topic will be *Changing Me*. As part of this unit, we will be exploring themes around families, friendships, and how children can feel safe and respected as they grow. We will talk about how families, although they may look different from one another, are all important because they provide love, security, and stability. Children will learn about the characteristics of healthy family life, including love, care, and spending time together. We'll also discuss the importance of kind and supportive friendships and how to build respectful relationships based on mutual trust and understanding. In addition, we will explore personal safety, including the idea of privacy, setting boundaries, and what to do if they ever feel unsafe or worried. Our aim is to equip children with the knowledge and confidence they need to form healthy relationships and know when and how to seek help if needed.

1OT have enjoyed planting their own runner beans – and what a journey it's been! Since then, we've loved making regular visits to the school garden to check on their progress. It's been so exciting to see how much they've grown! The children have really enjoyed learning about how plants develop and what they need to thrive. We're proud of their enthusiasm and care for their runner beans – true little gardeners in the making!

5NM Sports stars!

This week in 5NM, we have been practicing for our upcoming sports day. We are getting very good at passing the baton in relay races as well as perfecting our sprinting technique!

“We also practiced our throwing. We tossed bean bags into hoops. Our team scored fifteen points!”

“I think Vaughan will win sports day!”

One Parent, Three Big Challenges!

This year, one of our amazing NBPS parents is taking on a seriously epic adventure—all to raise money for our fantastic students! Think cycling coast to coast, swimming the length of Windermere, and even climbing Mount Kilimanjaro (ouch, blisters!).

Why? Because they believe in the power of education and want to help give every child at New Brighton Primary the best chance to shine. Whether it's for new equipment, exciting projects, or a more inspiring learning space, every donation will go straight to making our school even better.

Let's cheer them on as they tackle this wild, sweaty, and totally brilliant triple challenge!

We will keep you updated as these challenges are completed and let you know how our fundraising is going.

Reporting a child's absence

Please remember to phone each day to report your child's absence. You can speak to the office staff or leave absence reasons on the answer machine. If reasons are not provided each day, an unauthorised mark will be entered on the register.

Punctuality is also very important, we now have a signing in screen for late arrivers and early leavers at reception.
