What have S/JH done this week?

This week was our last week in netball. The class have been fantastic! We have had some exhilarating games and we definitely have some future netball stars.

We have started our new science topic, properties of materials. Our first lesson determining the characteristics if each material. We tested if they were waterproof by letting Miss Harrison pour water above our heads!

A massive well done to Mollie, Hollie and Renee this week for placing in their competitions at the weekend we are very proud of you all!
